Covenant Alliance Rehab East – work where people care

Now hiring therapists and assistants in all disciplines

If you want to join a company where you can truly make a difference, here's great news! Covenant Alliance Rehab East (CARE), a new therapy company in partnership with Covenant Health Alliance of Pennsylvania, is hiring for locations near you.

Work close to home

Alliance Rehab is a leading provider of therapy services to senior-living and post-acute providers. When you join our team, you'll work at a non-profit, faith-based community with a mission-over-margin mindset, provide rehab and wellness programs that improve outcomes and quality of life, and work in a desirable setting that is close to your home.

We're looking for therapists who care

We're passionate about providing high-quality rehabilitation and wellness services to seniors and look for employees who share the same philosophy and values. We are seeking qualified therapists and assistants who are enthusiastic about serving seniors and want to be an active member of a great therapy team.
